

11-13 September 2023, Zadar, Croatia

Call for Papers

The 65th International symposium ELMAR-2023 will traditionally be held in a beautiful town of Zadar on the Croatian Adriatic Sea. This year, ELMAR will be organized in honor of our late general chair professor emerita Branka Zovko-Cihlar.

ELMAR symposium attracts prominent scientists and specialists to present and in the friendly atmosphere discuss latest research advancements, contributing to the technological development. ELMAR-2023 program includes oral presentations of scientific papers and keynote talks held by eminent international experts from the symposium topics. Scientific papers reviewed by two international reviewers and presented at the symposium will be published in the ELMAR-2023 Proceedings. Accepted and presented papers will be submitted for inclusion into IEEE Xplore, subject to meeting IEEE Xplore's scope and quality requirements. Technical papers will only be published in the ELMAR-2023 Proceedings.

The symposium will take place at Falkensteiner Borik Resort, which offers access to beautiful beaches, swimming pools, and sport terrains. In the vicinity there is an "open-air museum" – the 3.000-year-old town of Zadar, which combines the beauty of the past and the experience of the contemporary urban life. During ELMAR-2023 several social events and an excursion for participants attending in-person will be organized.

Topics

- Wireless Communications
- 5G Mobile Networks
- Antennas and Propagation
- Image and Video Processing
- Computer Vision
- Autonomous Vehicles
- Transport Systems
- Radar Systems
- Microwave Electronics
- Navigation Systems
- Robotics
- Automation
- Space technologies
- Cubesat Development
- Special Sessions
- Technical papers in conference topics

Important dates

Deadline for submission of full papers **10 May 2023**

Notification of acceptance mailed out by **21 June 2023**

Deadline for submission of camera-ready papers **3 July 2023**

Organization

Prof. Mislav Grgić, General Chair

Assoc. Prof. Mario Muštra, Program Chair
